CrystalCare is a leading licensed and certified home health agency in North Texas. Our dedicated team of highly qualified and experienced healthcare professionals provides superior compassionate care to each of our clients. We have been serving our patients in the Dallas/Fort Worth Metroplex and surrounding communities since 1996.

Our Mission

We are committed to working as a team with our patients in taking care of their healthcare needs and providing wellness services in their home. Our focus is to provide warm, superior, compassionate care to both single and multiple need patients throughout our service area.

Therapy

We provide full service:

- OCCUPATIONAL THERAPY
- PHYSICAL THERAPY
- SPEECH THERAPY

When a physician prescribes therapy for the treatment of an illness or injury or to restore or maintain normal functions, we provide the appropriate, trained, certified therapist and equipment required.

High Tech Nursing

Placement of PICC line, Care of CVP line, Hickman Catheter, Port-a-cath, Tracheostomy, and Ostomy

Skilled Nurses

We provide a Registered Nurse (RN) to assess each patient and provide the needed skilled nursing care under the direction of the patient's physician. Licensed Vocational Nurses (LVN's) deliver skilled nursing care under the supervision of a Registered Nurse

Under the direction of a physician, the following are some of the professional services available to eligible patients:

- Diabetic management
- Monitoring of vital signs
- Wound care (VAC therapy Profore system)
- Enterostomal therapy
- Disease process, medications, and diet education
- Anodyne Therapy
- Instant Protime /INR in patients home
- Intravenous Therapy
- Pulmonary Care
- Catheter Care
- Enteral Therapy
- Cardiovascular Care

We can also provide bilingual nurses to ensure that our Spanish-speaking patients can communicate effectively with their care providers.

Home Health Aides

Trained and certified Home Health Aides provide personal care such as bathing, grooming, and dressing and assist with activities of daily living. Vital signs and simple treatments are performed under the supervision of a Registered Nurse.

Medical Social Services

We also provide the appropriate Medical Social Services needed to assist in resolving emotional, social and financial problems which may impede the patient's recovery.

Medical Supplies

CrystalCare can arrange for Medicare or Medicaid approved equipment including such things as hospital beds, walkers, wheelchairs, diabetic shoes orthotics, wound care supplies, and more

“Need assistance?”
